

2026 SOLAR ECLIPSE CRUISE TO GREENLAND FROM REYKJAVIK

Embark on a 2026 Solar Eclipse luxury cruise to Greenland, beginning and concluding in the charismatic city of Reykjavik. This round trip offers an unparalleled experience as you journey through one of the world's largest fjord systems, Scoresby Sund, as well as traversing some of the most pristine Arctic landscapes and ending back in Reykjavik. Begin in charming Reykjavik, home to the dramatic Hallgrímskirkja and the architectural brilliance of the Harpa Concert Hall. Along the way, discover the remote beauty of Scoresby Sund, flanked by basalt mountains that shelter elusive Arctic wildlife, and marvel at the untouched landscape of Harefjord, with its towering cliffs and glaciers. The 2026 Solar Eclipse luxury cruise offers an array of captivating activities for every traveler. Enhance your journey with optional kayaking with the expedition team, perfect your photography skills under expert guidance, or engage with onboard lectures offering insightful views on Arctic exploration. Take advantage of the ship's observation decks and library brimming with reference books to enrich your understanding of this magnificent region.

ITINERARY

Days 0 - 1 Pre Cruise & Reykjavik hotel

Make sure there is sufficient time to explore this diminutive but dramatic capital city. Despite its small size, you won't be short of things to see and do. To get your bearings, take the elevator to the top of Hallgrímskirkja. This church, designed by famed Icelandic architect Guðjón Samuelsson is one of the most distinctive buildings in town. When you return to earth, visit the city's other renowned building Harpa Concert Hall, located at the heart of Reykjavik's regenerated harbour - also the home of the Maritime Museum. Speaking of cultural spaces, tour the National Museum to learn the story of Iceland from

past to present. The Reykjavik Art Museum houses an impressive contemporary collection including eye-catching pieces by Erro. And, of course, just 50 kilometres outside the city lies Thingvellir National Park, the site of Iceland's original Viking parliament.

Day 2 Day at sea

Sea days are rarely dull. Take the time to sit back and let the world go by. The ship's observation decks provide stunning views of the passing ocean. A day at sea gives you the opportunity to mingle with other passengers and share your experiences of this incredible trip or head to our library which is stocked full of reference books. Get an expert's view in one of our on-board lectures or perhaps perfect your photography skills with invaluable advice from our onboard professional photographers.

Day 3 Scoresbysund

The world's largest fjord system, Scoresbysund spans over 350 km into Greenland's heart. This vast network of fjords, glaciers and icebergs is framed by towering basalt mountains, which shield Greenland's wildlife from Arctic winds. Muskoxen, Arctic foxes and mountain hares roam the land, while little auks, puffins, fulmars, snowy owls, gyrfalcons and great black-backed gulls soar overhead. Seals and whales are common sightings in the waters.

Day 4 Scoresbysund Hare Fjord 70°52N - 27°51W

Nestled deep within Scoresbysund, Harefjord offers a pristine Arctic experience. This secluded fjord, characterised by towering cliffs and expansive tundra, is a haven for wildlife, including elusive muskoxen and the fjord's namesake, the snowy hare. Two majestic glaciers carve their way through the valley, creating a stunning backdrop of ice and rock. Accessible and awe-inspiring, Harefjord is a true Arctic gem.
