ITINERARY

DAY 1 FRIDAY: QUITO - COCA - NAPO RIVER

Our adventure begins in Quito, the capital of Ecuador. After a 30-minute flight from Quito to the Amazonian city of Coca, we will transfer to the dock and board our motorized canoe for a 90-minute journey down the river, taking in the beauty of the Amazon, until we reach the Manatee Amazon Explorer and receive our warm welcome aboard. On the Manatee, we will be joined by expert local naturalist guides, who will provide us with a brief, informative introduction to the Ecuadorian Amazon; and afterwards guests will have the opportunity to explore our cruise ship and admire the rainforest landscape as we glide down the Napo River. After a delicious dinner, we will take a nighttime forest walk to hear the sounds of the rainforest and observe the nocturnal wildlife.

DAY 2 SATURDAY: PAÑACOCOA, THE MYTHICAL PIRANHA LAGOON

We will travel downstream to the Pañayacu River delta, where we will embark on a canoe trip to Pañacocha Lake ("Piranha Lagoon" in the native Kichwa language), an ecosystem flooded by blackwater river water. The surrounding protected rainforest is home to primates and birds and is the perfect habitat for piranhas, the Paiche or pirarucu (one of the world's largest freshwater fish), the white caiman, and hundreds of other aquatic animals. The surrounding protected rainforest is home to primates and various bird species, which we will be able to spot during a walk with our guides. We will then recharge our energy with an Amazon-style barbeque at a community camp, and after a short rest, we will take part in aquatic activities such as kayaking and/or swimming. Back on board the Manatee, we will build on what we learned with an interesting talk about the region given by our guides.

DAY 3 SUNDAY: PARROT CLAY LICKS AND AMAZON COMMUNITIES

We will set out on our motorized canoes early in the morning to witness one of the most incredible sights on this side of the Western Amazon - the famous parrot clay licks. This unique place is rich in minerals and attracts hundreds of colorful parrots, parakeets, and Amazon birds who meet up here to lick the clay which provides a healthy boost to their digestion. In the afternoon we will visit the Kichwa women's community project, where we will learn about the indigenous lifestyle along the Napo river, their ancestral culture, and their community, and will have the opportunity to support them by purchasing handicrafts, local products, and souvenirs, as well as the opportunity to participate in the Charapas Turtle Conservation that we support together with the community.

DAY 4 MONDAY: INDILLAMA AND NAPO RIVERS, THE NORTH SIDE OF YASUNI NATIONAL PARK

We will begin the day kayaking on the Indillama River, one of the Napo River tributaries that will take us to Yasuni National Park. Kayaks are comfortable, smooth, and silent, providing an ideal opportunity for spotting wildlife. We can also use canoes to travel in search of even more wildlife. After an adventure-filled day, guests can take advantage of our observation deck and experience a magical view under the stars. Our more energetic guests can choose to unwind with a night walk through the jungle in search of nocturnal creatures.

DAY 5 TUESDAY: HOME OF THE LEGENDARY PINK DOLPHIN AND THE SECOYA COMMUNITY

In the morning we will explore the lower part of the Napo River, where we will spot different bird species such as eagles, oropendolas, and the celebrated woodpeckers. In the afternoon we will visit Yasuni National Park, one of the most biodiverse places on the planet and home to the legendary pink dolphin. This is the perfect opportunity to participate in our pink dolphin conservation program, which we are involved in together with the Martinica community in the Cocaya area, providing a safe haven where these dolphins can live and feed without the risk of being hunted. The Secoyas people, a minority ancestral culture, live near Yasuni and will show us how to prepare traditional cassava bread during our visit.

DAY 6 WEDNESDAY: KICHWA FAMILY AND LIFE ONBOARD

We will begin the day by visiting an authentic Kichwa family on the banks of the Napo River, where we will have the opportunity to learn directly from members of the local community about their lifestyle. We will then board the Manatee and participate in a cooking class with our expert chef, who will show us how to prepare exquisite traditional Ecuadorian fare. Guests are also invited to try their hand at traditional handicrafting or to take in the magnificent Amazon environment from our open-air hot tub, enjoy cocktails at our Bar and Lounge, or delight in some nighttime stargazing from our Observation Deck. Our more active guests will have the opportunity to explore nature in this area by kayak.

DAY 7 THURSDAY: FOREST ADVENTURE AND CANOPY OBSERVATION TOWER

We start the day by visiting an observation tower built in a giant millenary kapok tree, where guests can marvel at the impressive 360° view from the top overlooking the treetops of the forest canopy and contemplate the sheer vastness of the Amazon. In the afternoon, we will explore the primary forest and spot the different plant and wildlife species endemic to this ecosystem. We can also find the strange and unique bird known as the hoatzin, or as it's known locally, the "stinkbird".
