

SAILING THE ST. LAWRENCE SEAWAY AND CANADIAN MARITIMES - EASTERN CANADA CRUISE

Discover the natural beauty and diverse cultures of Eastern Canada on an adventure along the picturesque St. Lawrence River. Stroll through 400 years of history in Old Quebec--a UNESCO World Heritage Site--and St-Pierre, the only remaining French territory in North America. Venture into the rugged wildernesses of the Saguenay River Fjord and Île Bonaventure, a National Park of Canada in search of rare wildlife. And, at every turn, you'll be immersed in the region's fascinating history, stemming from French, British, and Indigenous roots.

ITINERARY

Day 1 St. John's, Newfoundland / Embark Ship

This afternoon, arrive in St. John's, the picturesque capital city of Newfoundland and Labrador and transfer to the National Geographic Explorer.

Meals Included: Dinner

Day 2 St-Pierre, France

The first landfall is in St-Pierre, France's oldest remaining overseas territory. Get to know this picturesque French fishing enclave by visiting a local island, where you will learn about its historic cod fisheries and explore the fascinating

L'Arche Museum, dedicated to preserving the history of this remote territory.

Meals Included: Breakfast, Lunch, Dinner

Day 3 At Sea

Sail across the Gulf of St. Lawrence, known for its abundant plant and animal life both under water and on shore. Find a place on the observation deck to watch for the wildlife that calls this region home—including seven species of whales, such as the endangered North Atlantic right whale. Enjoy the day on board to edit photos, attend a presentation about the region with one of the naturalists or schedule a massage with the wellness specialist.

Meals Included: Breakfast, Lunch, Dinner

Days 4-5 Côte-Nord, Québec, Canada

Bordering the Labrador Sea and the Gulf of St. Lawrence, the Cote-Nord region of Quebec offers breathtaking, wild landscapes and geologic diversity, abundant marine life, maritime history and a culture influenced by its nine Indigenous communities. Spend two days exploring this stunning marine environment by Zodiac, kayak, and on foot as you learn about the area alongside local experts.

Meals Included: Breakfast, Lunch, Dinner

Day 6 Québec City

Arrive in the provincial capital, Quebec City. The only remaining walled city north of Mexico, Quebec's rich history comes to life amid the ramparts and ancient streets of its old town, a UNESCO World Heritage site. Experience the city's European charm while strolling the lanes below the stately Citadel, keeping an eye out for the iconic realist murals that showcase Quebec's history. As you explore, get a taste for the city's renowned culinary scene, from its First Nations recipes and traditional French and English flavors to maple syrup-infused sweets.

Meals Included: Breakfast, Lunch, Dinner

Days 7-8 Saguenay River and Tadoussac / At Sea

Originating in Lake Saint-Jean in the Quebecois highlands and draining into the St. Lawrence Seaway, the Saguenay River is a haven for marine life, most notably the beluga whale. Harbor seals, porpoises, minke, blue, and fin whales can also be seen at different times throughout the year in these nutrient-rich waters. The river's fjord, carved by glaciers over 10,000 years ago, plunges more than 900 feet below the surface, and its rising peaks and hanging cliffs soar more than 1,500 feet into the air. The landscape provides an astonishing backdrop as you sail and explore where two iconic rivers meet.

Enjoy a day at sea by attending an engaging presentation by naturalists and experts, relaxing with a book in the lounge, or experiencing a wellness treatment at the spa. Keep an eye out for wildlife as the ship travels towards Îles de la Madeleine.

Meals Included: Breakfast, Lunch, Dinner

Day 9 Îles de la Madeleine

A cluster of wispy islands isolated in the Gulf of St. Lawrence, the Îles de la Madeleine are home to miles of golden beaches and dunes, grassy hills and dazzling red sandstone cliffs. Local experts will guide you across this landscape of caves and sea arches, stopping along the way in colorful fishing villages as you learn about Acadian culture.

Meals Included: Breakfast, Lunch, Dinner

Day 10 At Sea

Retrace a path back through the Gulf of St. Lawrence, passing between Nova Scotia and Newfoundland. Spend the day on board making final edits to your photos with the certified photography instructor or head to the bridge to learn about the ship's navigation from the crew.

YOUR SHIP: NATIONAL GEOGRAPHIC EXPLORER

YOUR SHIP:	National Geographic Explorer
VESSEL TYPE:	Luxury Expedition
LENGTH:	108 meters
PASSENGER CAPACITY:	148 (single & twin cabins)
BUILT/REFURBISHED:	1982 / 2008

National Geographic Explorer is a state-of-the-art expedition ship. It is a fully stabilized, ice-class vessel, enabling it to navigate polar passages while providing exceptional comfort. It carries kayaks and a fleet of Zodiac landing craft. An Undersea Specialist operates a remotely operated vehicle (ROV) and sophisticated video equipment, extending access to the underwater world.

Public areas : Bistro Bar; Chart Room; Restaurant; Global Gallery; Library, Lounge with full service bar and state-of-the-art facilities for films, slideshows and presentations; Mud Room with lockers for expedition gear, and Observation Lounge. Our "Open Bridge" provides guests an opportunity to meet our Officers and Captain and learn about navigation.

Meals : Served in single seatings with unassigned tables for an informal atmosphere and easy mingling. Menu is international with local flair.

Cabins : A New Look for National Geographic Explorer Suites
National Geographic Explorer recently debuted updated suites, enhanced with the sleek, Scandinavian design that has become the hallmark of our polar fleet. Each of these elegant cabins now holds a Command Center, which allows guests to continue to

explore from the comfort of their suites with a set of tools that includes a barometer, a National Geographic Atlas, a television that broadcasts entertainment and ship navigation, a coffee maker, and multiple USB and universal electric ports for cameras and other devices. 81 outside cabins

All feature windows or portholes, private facilities, climate controls, hair dryers, and TV, plus Ethernet, Wi-Fi connections, and USB ports for mobile devices. Some cabins have balconies. Single cabins in Category SA and Category SB are located on the main deck and upper deck.

Expedition Equipment : Zodiac landing craft, kayaks, Remotely Operated Vehicle (ROV), hydrophone, SplashCam, underwater video camera, Crow's Nest remote controlled camera, video microscope, snorkeling gear.

Special Features : A full-time doctor, Undersea Specialist, LEX Photo Specialist and Video Chronicler, Internet Cafe and laundry.

Wellness: The vessel is staffed by two Wellness Specialists and features a glass enclosed Fitness Center, outdoor stretching area, two LEXspa treatment rooms and Sauna.
