We usually spend the morning's cruising with plenty of time for a swim stop, and in the afternoon we will arrive in our destination for the day with plenty of time to explore to ports and towns, their history, culture, cuisine, restaurants and cafes.

DAY 2: SPLIT – HVAR

Early in the morning, while breakfast is served, we set sail for the island of Bra. Before lunch on board, you will have time to enjoy a swim stop along the beautiful Bra island. After the swim stop, we continue on our way towards the town of Hvar, on the south side of the eponymous island, the longest island in Croatia, the sunniest in all Europe (2724 hours of sunshine per year) and undeniably among the most beautiful islands in the world. Upon arrival join the guided walking tour of Hvar and learn why this amazing town is a must see on the historical map of Croatia. Your evening is free to explore this amazing holiday spot by yourself. Note: port of call can be substituted for Stari Grad because of the limited capacity of Hvar harbour. In that case transfer to and from Hvar will be organized by Zantium Travel. Overnight in Hvar. (B, L,)

DAY 3: HVAR - VIS

Early in the morning, while breakfast is served, we set sail for the island of Vis. With lunch served on board, we will enjoy a swim stop at the Paklinski Islands. The island of Vis, formerly a major naval base, was closed to tourists from 1945 until the breakup of Yugoslavia in the 90's, which helped preserve the authentic appearance of its villages. We will arrive in Vis in the afternoon and you will be free to explore the quaint town and enjoy its many treasures. We suggest a visit to the Archaeological Museum, located in the old Austrian fort Gospina baterija (Batteria della Madona) right on the shoreline or just a simple stroll along the seaside promenade as most of the bars and restaurants are located along it so you are sure to find a lovely place to have dinner. You can always get some good tips for dinner or points of interest from your cruise manager. Overnight in Vis. (B, L)

DAY 4: VIS - KOR ULA

In the morning, before breakfast, we sail towards Biševo and the unique natural phenomenon that is the Blue Cave. The Blue Cave is a wonder of the Adriatic Sea and the most attractive sight of the island of Vis, and you will get to see for yourself why so many people visit it each year. After the visit to the Blue Cave*, we set sail for Kor ulu, stopping along the way for a swim and lunch served on board. In the afternoon we arrive to Kor ulu, the birthplace of the famous explorer Marco Polo. Our local guide will take you on a unique tour of the old town of Kor ulu. You will hear many interesting stories and legends about the city and the life of Marco Polo, the most famous son of Kor ulu. The

casual approach to discovering the history and culture of Kor ulu will surely delight you Overnight in Kor ulu. (B, L) *Please note that the Blue Cave is only accessible with small boats through an entrance just 1.5m high so it is unfortunately easily made inaccessible by bad weather and high waves.

DAY 5: KOR ULA-MIJET

Early in the morning, we depart for Mljet, one of the most beautiful and the most densely forested islands of the Adriatic. Isolated and untouched, the island is known for its mysticism, olive groves, vineyards and rich forests. Take in the rich flora and fauna, and peacefully enjoy the pristine beauty of natural surroundings. Upon arrival in Pomena, a visit to a national park encompassing most of the island is planned. The park's highlights are the two saltwater lakes - the Little Lake and the Big Lake with its Benedictine monastery on the Isle of St. Mary. This evening you are invited to the Captain's Dinner aboard the ship. Overnight in Pomena. (B, L, CD)

DAY 6: MIJET - SLANO

Early in the morning, while breakfast is served, we set sail for Slano. On our way to Slano, we will stop for a swim in one of many picturesque bays dotting the coast. Upon arrival to Slano, we will embark on our gastronomic adventure in Ston, well known for its extensive medieval walls and long tradition of oyster farming, spanning over 2000 years. A short boat ride to the oyster farm in the middle of the bay and, with a glass of wine in hand, we'll be tasting this natural aphrodisiac straight from the sea. Talk about a gourmet's dream! We return to our ship in the afternoon and sail to Šipan island, where we will have the evening free to relax and enjoy the sunset. Your cruise manager will be on hand to assist with info about local sights and will have some suggestions for nice dinner spots. Overnight in Slano. (B, L, T)

DAY 7: SLANO – DUBROVNIK

The last stop on our trip is Dubrovnik, a city that will welcome you with open arms, as it does for visitors from all parts of the world. Surrounded by its fabled medieval walls, Dubrovnik is widely known as the "Pearl of the Adriatic". Upon arrival we will partake in a sightseeing tour of the UNESCO protected old town, acquainting you with its most important monuments and hidden spots. After the walking tour, we leave you to explore the city on your own. Our ship will be docked at Gruž Harbour, and there are many options (taxis, buses, and
