ITINERARY

Day 1 | Ponta Delgada/São Miguel, Azores

Departure 7:00 pm

The lively capital of Sao Miguel receives its guests at the trefoil-shaped city gate and invites them in on mosaic-like cobbled pavements through narrow lanes leading to whitewashed houses with black facade decoration made from basalt. The historic old city of Ponta Delgada is covered by a preservation order. Two large lakes are picturesquely set in the crater of Sete Cidades - the sapphire blue Lagoa Azul and the emerald green Lagoa Verde. At the edge of the crater the view widens out and exposes a spectacular panorama. On one

Arrival 8:00 am

The most beautiful approach to the Portuguese capital is to travel up the River Tagus. One of the city's most famous landmarks has been greeting visitors right on the estuary since 1521 - the Torre de Belem. This is a UNESCO World Heritage Site and transports you back to the glory days when Portugal was a naval power. There are many landmarks, such as the facades of the houses decorated with azulejos tilework and the ancient trams that rattle through the city. But Lisbon has many different sides. Joie de vivre comes face to face with the melancholy of Fado music, winding lanes in the old city meet wide boulevards, while magnificent churches and austere monasteries show the two sides of former religious faith.
