YOUR SHIP: KALAW PANDAW

YOUR SHIP:	Kalaw Pandaw

Kalaw Pandaw is a K-class ship. The K-class dated back to the 1880s and were comprised of stern wheelers designed to reduce draft, their boilers placed in the bow to improve trim. Smaller than the great line steamers of the age, the K-class ships were used on the Chindwin and upper reaches of the Irrawaddy. Where possible we have reused the old IFC names and many of these original K-class ships had fascinating histories, through times of war and peace.
